European macroeconomics (15h CM)

INTERVENANT

Amélie BARBIER-GAUCHARD

A PROPOS DE L'INTERVENANT

Amélie BARBIER-GAUCHARD (abarbier@unistra.fr) is Assistant professor in Economics at the Faculty of Economics and Management and Researcher in Economics at BETA (Strasbourg University). Her fields of expertise concern macroeconomics, fiscal policy, monetary union, fiscal federalism, fiscal discipline. She also achieve different expert missions like Scientific advisor for the European Parliament (Brussels), Scientific expert for the Committee of the Regions of the EU (Brussels), Scientific expert for the Commissariat général à la stratégie et à la prospective (Centre d'analyse stratégique before 2013), French Prime Minister Service (Paris). She is also in charge of the Master "Macroeconomics and European Policies" and Vice-Dean of the Faculty.

OBJECTIFS DU COURS ET COMPETENCES ACQUISES

This lecture on "European macroeconomics" mainly focuses on the governance of economic policies in the EU. More precisely, this course proposes to present the main steps of the European integration process, to explain the originality of the Eurozone and to offer an original presentation of fiscal policy in the EU to underline the multi-level governance of public finance in the EU.

SOMMAIRE DU COURS

Chapter 1. The original organization of fiscal power in the EU

Chapter 2. The European Strategy to support growth and employment

Chapter 3. Fiscal discipline and economic governance in the EMU
